start**

**Holds up to
60 gallons!**

6 outlets

**Sound
and light
activate at
low levels**

**PLC
driven**

**Washes
400+ cars!**

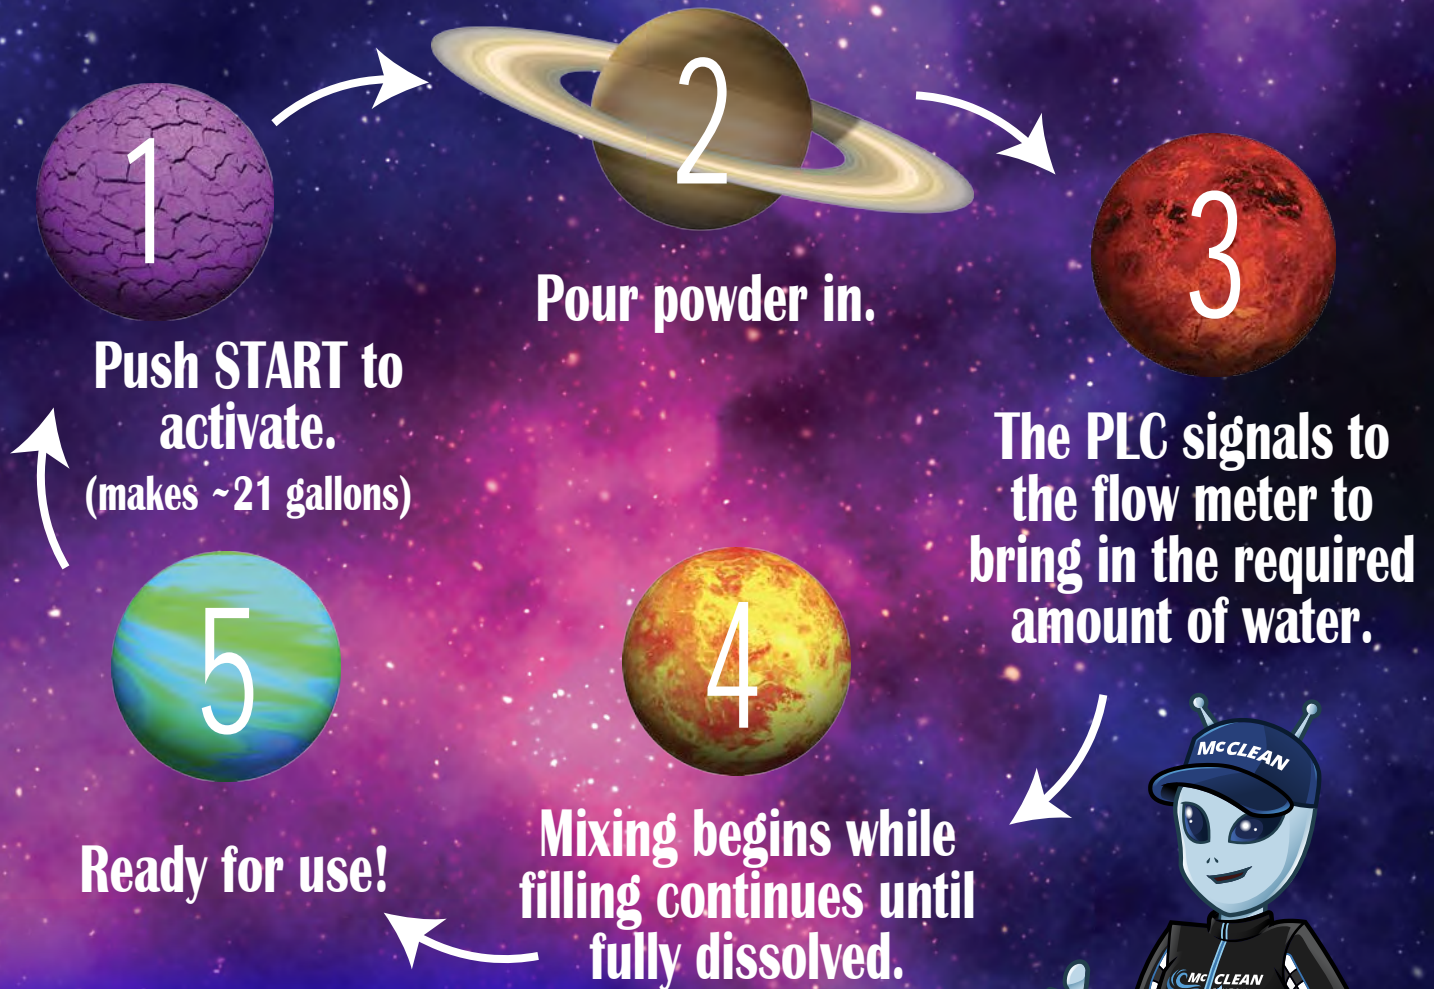

**Float warns
when levels
are low**

POWDER → LIQUID HOW DOES IT WORK?

Why Powder? Powders are the most cost-effective way to ship active cleaning ingredients because you're not paying to transport water.

Cost?
\$100/yr lease
+
initial order
of 6 boxes of powder
